The Rockingham Race Regatta / WA IRC State Championship was held over the weekend of 30 November and 1st December 2019 in partnership with The Cruising Yacht Club Rockingham.

Led by Race Officer Geoff Brown and the ORWA Race Control Team. The short course racing in North Cottesloe was a spectacular scene.

The 72nd Bunbury and Return Ocean Race started on Friday 14 February 2020. Led by Race Officer Trevor Milton, Deputy Race Officer Kim Laurence and the ORWA Race Control Team.

Koombana Bay Sailing Club volunteers Phil and Danielle manned the mark boat at the Bunbury turn and RFBYC volunteers monitored the race radio communications. There was no race record but the fleet finished within 7.5 hours, a great race for the smaller yachts.

A huge thank you to Lindsay Preece (Ironbark Photos) and John Chapman (Sails On Swan) for capturing the season with their still and video photography and sharing with the community through social media. Both have provided their images for publication in media stories and Club magazines. A significant contribution to the sport of sailing.
