House Support

House Support is the minimum expected aggregate expenditure that members must spend with Club bar, catering and/or merchandise each half-year period ending the last day of October and April each financial year.

Members whose aggregate Club bar, catering and merchandise purchases is less than their House Support amount at the end of the relevant half year House Support period must pay a "shortfall levy" equivalent to the amount of that shortfall and have their Club account debited with that levy. The House Support amount is proportional to membership fees.

Family Membership

RFBYC welcomes families and a 20% discount applies on entrance fees when joining as a family (Ordinary 36 + Associate + at least one Junior).

Members' spouses (Associate members) and Juniors Under 16 members pay 10% of the full subscriptions (Ordinary 36+) each year, making family membership great value.

Voluntary Donations

Sailing Excellence, Travel Grant and Ron Tough donations assist the elite sailors representing the Club at national and international regattas. These donations are applied to your account throughout the year.

Please note that all donations are voluntary. If you do not wish to contribute, please advise the Club.

Overdue Accounts

A monthly fee of 2.5% will apply on all overdue amounts outstanding for 60 days or more. Credit will be suspended for any purchases or service of any kind whilst the account remains overdue.

No member may place a vessel in the marina unless it is on the Club register.
