STANDARD SAILING INSTRUCTIONS - KEELBOATS

The Standard Keelboat Sailing Instructions apply to Club races conducted by Royal Freshwater Bay Yacht Club (Inc.). These Sailing Instructions do not apply to events where separate Sailing Instructions are issued. Where Supplementary Sailing Instructions are issued for an event and conflict with these Sailing Instructions the Supplementary Sailing Instructions shall prevail.

Abbreviations

- ASSR - Australian Sailing Special Regulations relating to safety requirements
- IRC - International Rating Certificate
- SMS - Sports Boat Measurement System
- RRS - The current Racing Rules of Sailing as published by World Sailing
- (NP) - denotes that a breach of this rule will not be grounds for protest by a boat
- (DP) - denotes a rule of which the penalty is at discretion of the protest committee and may be less than disqualification

1. RULES

- 1.1 Races will be governed by the rules as defined in the RRS.
- 1.2 (DP) The ASSR and relevant Class Rules will apply unless altered by these Sailing Instructions.
- 1.3 Competitors shall be financial members of their respective Class Associations where this is a requirement in their Class rules.
- 1.4 Appendix T Arbitration shall apply.
- 1.5 Division Boats and Sports Boats may use trapezes and outriggers where these are part of the boat's design. This changes RRS 49.1.
- 1.6 The [IRC Rules 2025](#) Parts A, B and C shall apply where applicable.
- 1.7 IRC Rule 22.4 will apply for Saturday Series races.
- 1.8 Rule A5.3 will apply to all club championship and consistency series.

2. ENTRIES AND ELIGIBILITY

- 2.1 **Series Nomination (DP)**

Boats must nominate prior to competing in a race or series. <https://rfbyc.asn.au/group/pages/topyacht-events>. This nomination shall include providing proof of insurance required by SI 27 and submission of a completed ASSR Equipment Audit Form. Boats that do not properly nominate will not be included in the results. This changes RRS A5.
- 2.2 **Race Sign On (DP)**
 - 2.2.1 Before the warning signal of the first race of the day in which a boat competes, the boat shall sign on through the designated sign on system via the link provided on the RFBYC webpage. Boats failing to sign on will be penalised without a hearing. The penalty will be a three-place penalty in both over the line and handicap results. Other places will be adjusted accordingly and no boat will be scored worse than DNF. This change RRS A5 three places in the results (other places to be adjusted accordingly).
 - 2.2.2 The skipper shall submit a crew list naming all persons on board via the link provided on the RFBYC webpage.
 - 2.2.3 Any boat that continually fails to meet the requirements of 2.2.1 or, 2.2.2 will be subject to a protest by the Race Committee.

2.3 Competing Boats and Helms

- 2.3.1 Unless otherwise approved by the Yachting Operations Manager, only boats registered at the Club may compete in club races unless the race is designated as an invitation race. Invitation races are open to boats from clubs who are affiliated to Australian Sailing and shall be helmed by members of a club affiliated to Australian Sailing. Boats that do not nominate will not be included in results.
- 2.3.2 Unless the conditions of the race otherwise specify, a boat competing in Club races shall be helmed either by a financial Ordinary, Life, Special, Senior or Junior Member of the Club or by any other person who the Sailing Committee permits but upon such terms and conditions as the Sailing Committee may specify.
- 2.3.4 Notification of any change in registration details (including change of skipper or helm) shall be notified to, and approved by, the Race Committee or the Yachting Operations Manager or their delegate prior to the race in which it will take effect.

3. NOTICES TO COMPETITORS

All notices will be published on the official noticeboard (<https://rbyc.asn.au/official-online-notice-board>) and emailed to all nominated boats. Failure for electronic communication to be received will not be grounds for redress. This changes RRS 61.

4. CHANGES IN SAILING INSTRUCTIONS

- 4.1 Any change to the Sailing Instructions will be published on the official noticeboard, as per SI 3 no less than two hours before the scheduled warning signal of the races for which it will take effect except that any change to the schedule of races will be posted by 1800 on the day before it will take effect.
- 4.2 It is each competitor's responsibility to ensure they have received the change(s) in its entirety.

5. SIGNALS MADE ASHORE

Signals made ashore will be displayed on the mast in front of the Main Clubhouse.

6. SAFETY REQUIREMENT (DP)

- 6.1 All keel or ballasted boats shall comply with the requirements of the ASSR Part 1 for Category 7. Flying 15s and 2.4mR class competing in races under these Sailing Instructions shall comply with the requirements of ASSR Part 2 Off The Beach Boats. Random inspections will be carried out on race days. Boats found not to be compliant will be penalized at the discretion of the Protest Committee.
- 6.2 No boat shall race with an anchor protruding over its bow.

7. IDENTIFICATION

- 7.1 A boat that intends to use any sail number other than its registered number shall notify and receive approval from the Race Committee or the Yachting Operations Office prior to the race in which it will take effect.
- 7.2 A boat that fails to comply with SI 7.1 will be recorded as 'DNS' without a hearing. This changes RRS A5.
- 7.3 Boats are reminded to comply with RRS 77 and Appendix G and ensure that their sail numbers clearly contrast with their sail colours and are easy to read. Redress will not be granted should an error in scoring occur due to sail numbers being unreadable. This changes RRS 61.1(a).

8. SCHEDULE OF RACES

- 8.1 Scheduled event dates, start times and location of starting lines are shown in Appendix A 'Schedule of Events'. Where Appendix A 'Schedule of Events' includes information of social events or events conducted by other clubs, sailed under alternative special or Supplementary Sailing Instructions, these do not form part of these Sailing Instructions.
- 8.2 Any changes to the start times in the 2025-26 Appendix A 'Schedule of Events' will be displayed on the notice board as specified in SI 3 and SI 4.

- 11.4 **Mid River Finishing**
Flag 'R' displayed below the class flag with the warning signal means the fleet shall finish at the mid river finishing line. Flag 'R' will not be displayed should the course itself dictate the finish is at the mid river finishing line.
- 11.5 **Multiple Races**
When Flag 'Q' is displayed at the finish, another race will start as soon as practicable. Multiple sound signals will indicate that a new starting sequence will commence within 1 minute.

12. MARKS

- 12.1 Marks for club courses will be fixed marks as shown in the 'Guide to Swan River Yacht Racing Course Marks' on the fold out page at the back of the Sailing Handbook. This Guide is for reference only and does not form part of these Sailing Instructions.
- 12.2 **Navigation Posts**
All navigation posts except Outer Dolphin (17) and Deepwater (37) that are not listed as a rounding or passing mark on the course sheet, shall be passed on their correct navigational side. All such navigation posts shall rank as obstructions for the purposes of RRS Part 2 and RRS 19 shall apply.

14.1 An orange flag will identify a 'line in use' for starting or finishing.

14.2 (NP) Except between her warning and starting signals, or when starting or finishing, a boat shall not cross a 'line in use' in either direction when the orange flag is displayed.

1. ELIGIBILITY AND ENTRY

- a) RFBYC Twilight Sailing is open to any yacht registered with a yacht club affiliated with Australian Sailing.
- b) All boats are to sign on to participate in each Twilight event by SMS to 0422 654 833 stipulating boat name, sail number, skipper's name, and number of persons on board. Boats crossing the Club Finishing Line will be signed off automatically by the Start Box. - e) The person in charge is responsible for safety of all persons on board. The person in charge must take into account such factors as the age and capabilities of each person onboard, the potential weather conditions, the total number of persons onboard and the likelihood of persons falling from the boat due to its design/layout.
- g) A boat or participant shall give all possible help to any person or vessel in danger.

4. COURSES

Courses are as detailed under the 2025-26 Sailing Instructions Appendix B, 'Courses' and on the Club's website. The course to be sailed will be displayed by flying the relevant numeral pennant flag from the Start Box, and may also be signaled by displaying the appropriate numeral board.

5. PROXIMITY

During sailing, boats should assume the Club and its support staff & volunteers cannot see them or maintain any meaningful watch during the Twilight Sailing event. Boats are to stay within reasonable proximity of the course area during their sail. If Skippers are to leave the course area, i.e., sail East of Miller, sail East of Mosman (B), or become stationary in a mooring area, the Club expects the boat to advise the Club of its intention to continue without club safety support. This communication is to be via text message (SMS) or voice call on 0422 654 833, or via VHF Channel 77

6. SPINNAKERS

Spinnakers are not permitted at any time.

7. TIME LIMIT

The time limit is 2000. Any boat that does not sail the course or has not finished or signed off by SMS by 2000 continues to be solely responsible for their own safety and club safety support coverage will conclude at that time.

TWILIGHT SAILING CODE OF CONDUCT

Participants are encouraged to sail within these non-competitive considerations, in the spirit of a welcoming, fun and encouraging activity for all.

No Luffing and where it is safe to do so, overtake to leeward.

Approach the turning markers cautiously and provide sufficient space for you and the boats around you to turn the markers in a safe and orderly manner.

Use options such as omitting markers or starting early in order to generally avoid congestion.

Ensure that your boat and the boats around you are enjoying a non-racing, fun and welcoming activity.

This Code of Conduct will not form the basis for any claims of damages or prevail over the Sailing Instructions or Supplementary Sailing Instructions.

10. RACING AREA

The racing area will be within Freshwater Bay and surrounding areas.

11. COURSES AND COURSE SIGNALS

11.1 The diagrams in the SI Appendix B show the courses, including the approximate angles between legs, the order in which marks are to be passed, and the side on which each mark is to be left.

11.2 The course to be sailed will be designated by displaying a numeral pennant from the race committee vessel no later than the warning signal.

11.3 Courses may be shortened in accordance with RRS 32.2. In addition, RRS 32 is changed so that if Flag 'S' over Flag 'F' are displayed in the vicinity of a mark, competitors shall pass that mark on the required side and proceed directly to the finish line.

11.4 Multiple races are planned each race day. When Flag 'Q' is displayed at the finish, another race will be started as soon as practicable. Multiple sound signals will indicate that a new starting sequence will commence within 1 minute.

12. MARKS

Mark	Description	Colour
Marks 1, 2 and 3	Inflatable Buoys	Orange
Marks A, B and C	Inflatable Buoys	Red
Start Mark	Inflatable Buoy	Black and White Chequered
Finishing Mark	Inflatable Buoy	Red with Yellow Band

13. THE START

- 13.1 Races will be started using RRS 26 modified such that the warning signal will be displayed 3 minutes prior to the start and the preparatory signal 2 minutes prior to the start.
- 13.2 The starting line is between a staff displaying orange flag on the race committee vessel at the starboard end of the starting line and the course side of the port-end starting mark.
- 13.3 A boat whose warning signal has not been made shall keep clear of both the starting area and of all boats who are in the starting sequence.
- 13.4 A boat that does not start within 3 minutes of her starting signal will be scored Did Not Start without a hearing. This changes RRS A5.1 and A5.2.
- 13.5 When a General Recall is signalled, the warning signal for a new start for the first recalled fleet will be made as the starting signal of the last fleet in the original sequence. New starts for other recalled fleets will follow in the order thereafter. A General Recall signal will be displayed for one minute. This changes RRS 29.2 and race signal, 'First Substitute'.

14. THE FINISH

- 14.1 The finishing line is between a staff displaying a blue flag on the race committee vessel at the starboard end of the finishing line and a red with yellow band buoy at the port end.
- 14.2 Boats failing to finish within 15 minutes after the first boat finishes will be scored "Did Not Finish". This changes RRS 35 and A5.

15. LINES IN USE

- 15.1 A conspicuous orange flag will identify a 'line in use' for starting or finishing.
- 15.2 (NP) Except between her warning and starting signals, or when finishing, a boat shall not cross a 'line in use' in either direction when the orange flag is displayed.
- 15.3 A boat observed breaching SI 15.2 will be penalised without a hearing in accordance with SI. This changes RRS 63.1.

16. KEEPING CLEAR

- 16.1 Boats shall at all times give way to support craft identified by a white flag with the words SAFETY in red.
- 16.2 Boats observed breaching any of SI 16 will be penalized, without a hearing, in accordance with SI 17.2. This changes RRS 63.1.

17. PENALTIES

- 17.1 For all classes RRS 44.1 is changed so that the Two-Turns Penalty is replaced by the One Turn Penalty. For WASZPs the two-turns penalty in RRS 44.1 is replaced by a part turn being a gybe and coming to close-hauled when on a windward leg or tack and sailing below 90 degrees when on any other leg.

- 17.2 Scoring penalties specified in SI 15.3 and 16.3 will be a 30% penalty calculated in accordance with RRS 44.3 (c) in accordance with RRS44.3 (c).
- 17.3 A boat penalized under SI 15 or 16 may request a hearing.

18. HEARING REQUESTS.

- 18.1 The protest time limit is 45 minutes after the last boat finishes the last race of the day or the race committee signals no more racing today, whichever is later. The time will be posted on the official noticeboard.
- 18.2 Protests shall be written on forms available from the Dinghy Club office and shall be lodged at the DC office or with the Race Officer by the Protest Time. Limit in accordance with RRS 61 and SI 19.1. Parties to a hearing will be notified of the time and place of the hearing
- 18.3 In addition to the requirements of RRS 61.1, boats intending to protest for an incident occurring while racing shall, where possible, notify an official on the committee vessel within five minutes of finishing or retiring from the race.

- 22.2 With the exception of the Intermediate fleets, team leaders, coaches and other support persons who may be supporting individual athletes, shall keep to leeward of the start line and its extension between the preparatory signal and the start signals for their class and more than 50 meters clear of any racing boat or mark of the course.
- 22.3 Club appointed/approved coaches may give advice to some or all competitors while they are racing except during designated club championship races. Intermediate Fleet boats displaying a pink ribbon may be coached during any race. This will not be regarded as a breach of RRS 41.
- 22.4 All skippers of Support/Coach boats must attend the volunteers briefing with the Race Management. This is scheduled for before the competitor's briefing. This takes place at the Dinghy Club (DC).
- 22.5 Support/Coach boats will be required to assist in the event of an emergency if directed to do so by the Race Management Team.

- 25.1 All those taking part in Club races do so at their own risk and responsibility.
- 25.2 The Club is not responsible for the sea worthiness of a boat whose entry is accepted or the sufficiency or adequacy of its equipment. The Club reserves the right to refuse entry in the interests of safety or fair competition.
- 25.3 Attention is drawn to RRS 3 which states 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone' and AS Special Regulations 1.02.1 which also states that 'The safety of a boat and her crew is the sole and inescapable responsibility of the person in charge.'

HANDICAP SYSTEM - KEELBOATS

1 GENERAL PRINCIPLES

The goal of the handicap system is to allow a fair and realistic opportunity for boats of varying size, design and performance sailed in a competent and seaman like manner to achieve a podium finish. The system rewards boats that regularly compete and finish races.

The Handicapper, in consultation with the Yachting Operations Office, oversees the handicap system. The role of the Handicapper includes liaison with fleet captains, maintenance of the overall fair and reasonableness of the system, detection of irregularities and advising of manual adjustments when deemed necessary.

At the start of each season/series entered boats within a division/fleet are allocated a four-digit handicap based on previous performance evidence available at the time. A boat's race elapse time is multiplied by the handicap number to obtain the corrected time. It is this time that is used for scoring purposes.

The handicap system is performance based and supported by the Finishing Line race management software package. It is generally known as the TCF Pen 3 option. The software utilises the parameters outlined below to adjust and update handicaps for each race based on previous performance.

2. HANDICAP ADJUSTMENT PARAMETERS FOR SATURDAY KEELBOAT, MIDWEEK AND FROSTBITE SERIES

2.1 Saturday and Frostbite fleets handicaps are adjusted as follows:

- 2.1.1 First place getter will go up by 1.5%
- 2.1.2 Second place getter will go up by 0.75%
- 2.1.3 Top third of other finishes will go down by 0.15%
- 2.1.4 Next third of finishers will go down by 0.3%
- 2.1.5 Last third of finishers will go down by 0.45%
- 2.1.6 All handicaps are normalised to base handicap for all boats
- 2.1.7 Should there be less than five finishers in a race, the handicap penalty for first and second places are halved.
- 2.1.8 Boats that are scored DNC, DNF, OCS, etc will not be adjusted
- 2.1.9 Boats given average points will not be adjusted.
- 2.1.10 Boats gaining three or more consecutive places will be reassessed by the Handicapper.
- 2.1.11 Boats entering for the first time or with a change of ownership that may substantially alter its performance shall be given a handicap of 1.0000 for the first three finishes. The Handicapper shall then make a reassessment to determine a suitable handicap.

3. SEASON AND/OR SERIES START

- 3.1 At the start of each season and/or series the Handicapper shall reassess all handicaps from the previous events and adjust the handicaps to group boats with similar performance ability.
- 3.2 The reassessment shall include analysis of previous finishing positions, margins and podium places.
- 3.3 The reassessment may also take into account expected conditions. For example, lighter wind for frostbite racing compared with stronger sea breeze summer conditions.

HANDICAP SYSTEM, PENNANTS AND TROPHIES - OTB FLEETS

HANDICAPPING SYSTEM

- All sailors will be assigned a generic handicap by the handicapper. Starting handicaps for all boats in the same fleet will be the same.
- Handicaps will then be adjusted after each race based on performance using TopYacht's inbuilt Performance Handicapping System (PHS).
- This handicap will then be applied to the next race, and so forth.

AWARDING PENNANTS

Pennants for each fleet (1st, 2nd, 3rd) will be awarded each race day based on the handicap results for the first race sailed on the day.

The 'Fastest' pennant will be awarded for the sailor with the fastest time across the line in each fleet, based on the first race sailed on the day.

TROPHIES

Trophies: Individual Race Days, Consistency and Club Championship

Individual Race Days:

The overall winner on handicap for each race day will be awarded that day's trophy (i.e. prize money) on Dinghy Prize Night, assuming a trophy has been allocated for that race day and class.

Consistency:

ALL races on days marked as Consistency races count towards Consistency.

- For all Open fleets, the Consistency trophy will be awarded at Dinghy Prize Night for the sailor with the overall best results from an aggregate of all Consistency days, minus drops.

- For all Intermediate fleets, there will be both Pre-Christmas and Post-Christmas Consistency medals awarded, to allow those transitioning during this period to have an opportunity to gain a trophy. Trophies will be awarded for the best overall results from all Consistency days up to Christmas (Pre-Christmas) and after Christmas (Post-Christmas), minus drops.

Club Championship:

For all fleets listed in Perpetual Trophies Dinghies, Club Championship trophies will be awarded for the best overall across the line results in each class for ALL races on all Club Championship days, minus drops.

MAN OVERBOARD PROCEDURE

Extract taken from the Australian Sailing Special Regulations
- Section 8 - Advisory Appendices - Advisory Appendix D to Part 1

MAN OVERBOARD - QUICK STOP AND THE LIFE SLING (OR SEATTLE SLING)

When a crew member goes over the side recovery time is of the essence. The hallmark of this method is the immediate reduction of boat speed by turning to windward and then manoeuvring slowly, remaining near the person overboard. In most cases, this is better than reaching off, then gybing or tacking and returning on a reciprocal course.

QUICK STOP METHOD

1. Shout 'man overboard' and detail a crew member to spot and point to the victim's position in the water. The spotter should not take his eyes off the victim (see Figure 1).
2. Provide immediate flotation. Throw buoyant objects such as cockpit cushions, life rings and so on. These objects may not only come to the aid of the victim, but will litter the water where he went overboard and help your spotter to keep him in view. Deployment of the pole and flag (dan buoy) requires too much time. The pole is saved to put on top of the victim in case the initial manoeuvre is unsuccessful.
3. Bring boat head-to-wind and beyond (see Figure 1)
4. Allow headsail to back and further slow the boat.
5. Keep turning with headsail backed until wind is abaft the beam.
6. Head on beam-to-broad reach course for two or three lengths then go nearly dead downwind.
7. Drop the headsail while keeping the mainsail centred (or nearly so). The jib sheets are not slacked, even during the dousing manoeuvre, to keep them inside the lifelines.
8. Hold the downward course until victim is abaft the beam.
9. Gybe.
10. Approach the person overboard on a course of approximately 45 degrees to 60 degrees off the wind.
11. Establish contact with the person overboard with heaving line or other device. The Naval Academy uses a "throwing sock" containing 25 metres of light floating line and a bag that can be thrown into the wind because the line is kept inside the bag and trails out as it sails to the victim.
12. Effect recovery over the windward side.

Quick Stop Under Spinnaker

The same procedure is used to accommodate a spinnaker. Follow the preceding instructions. As the boat comes head-to-wind and the pole is eased to the head stay, the spinnaker halyard is lowered and the sail is gathered on the fore deck. The turn is continued through the tack and the approach phase commences
