

# Dinghy Safety

A MESSAGE FROM ROYAL FRESHWATER BAY YACHT CLUB

## Race Committee

The Race Committee is responsible for the running of sailing competition. One of the most important tasks is to ensure the fairness and safety of competition. The Race Officer, who is in charge of the race area during competition, will often conduct a safety briefing before competition with key volunteers and support staff. The Race Officer will then conduct a pre-race briefing with all competitors to review the race area, the weather, the sailing instructions and important safety considerations on and off the water.

### Race Committee

Race Officer,  
Rear Commodore, Operations Manager

### Sailing Competition

Sailors, Coaches, Volunteers,  
Support Staff, Judges, Spectators

*Safety - its everyone's responsibility*
