Dinghy Safety

A MESSAGE FROM ROYAL FRESHWATER BAY YACHT CLUB

2 Important Sailing Rules

There are 2 important sailing rules to follow to avoid a collision when your boat is approaching another boat:

Rule #1: When you are on the same tack as the other boat, the leeward boat has the right-of-way. The windward boat has to keep clear.

Rule #2: When you are on opposite tacks, the starboard boat has the right-of-way. The boat on port tack has to keep clear.

Starboard!

Safety - its everyone's responsibility
