Dinghy Safety

A MESSAGE FROM ROYAL FRESHWATER BAY YACHT CLUB

Judges

At the core of sailing competition is the Racing Rules of Sailing which all participants must abide by in order to compete fairly and safely.

Judges play an important role in sailing to ensure the on water adherence to these rules and to settle disputes off the water.

Judges offer a range of services to competitors and race management authorities which includes arbitration, requests for redress, hearing of protests, on-water judging, equipment compliance and the review of Sailing Instructions.

Judges use facts and evidence to reach suitable and fair conclusions in accordance with the Racing Rules of Sailing. Judges are adept at dispute resolution.

For all the rules, refer to the 2021 – 2024 Racing Rules of Sailing.

Safety - its everyone's responsibility
