The South Mole finish line is a line running approximately north south between FSC B (passed to Starboard) and an inner waypoint (passed to Port).

The inner waypoint is located at 32 03.401s 115 44.066e

The evidence of finishing required to be provided shall be either:

- a screen shot or photo of the primary navigation system of the boat's location, track and finish time (internet/GPS) as it finishes, or
- a photo of the finish buoy (FSC B) in the background including the internet/GPS time as it finishes.

Competitors shall provide the evidence of finishing time to the Race Committee by sms (+61 409 290 024) or email (offshore@rfbyc.asn.au) of their boat name and finish time at the first reasonable opportunity, but no later than 30 minutes after finishing.
