Change to Sailing Instructions

Amendment No. 2020-21 / 04

Posted: 6 January 2021

Applicable to: Club Line Courses – Saturday, 9 January 2021

The “special” club line courses intended to be sailed on Saturday, 9 January are no longer required as Melville Water West has become available for use.

On Saturday, 9 January 2021, all fleets will therefore sail their normal club line courses as published in the 2020-21 Sailing Handbook.
