Australian Sailing **OUT THERE SAILING** YOUTH PROGRAM

Overview

OutThere Sailing 1 is a great introduction to these sports and skills required but will still focus on fun with friends. The program provides a wide variety of on water activities that will introduce sailing and, depending on your club, an opportunity to experience stand up paddle boarding, windsurfing and power boating. You will learn skills through exciting exercises and put them to good use in fun, on-water activities.

Prerequisites

Water confident.

Who should do this program?

This program is designed for participants who are 11-17 years-old looking to try a new activity, have some fun and engage with others whilst sailing.
