## Coaching Fee Guidelines

Coaching is an integral part of our junior sailing program at Royal Freshwater Bay Yacht Club (RFBYC). We recognise our coaches play a crucial role in assisting with the positive development of our young sailors. In addition, coaches help to create a safe and fun learning environment for junior sailing. This is our priority.

Our Coaching Program is comprehensive, accommodating multiple fleets on a weekly basis. The Coaching budget is currently a generous \$100,000+. This figure has steadily grown to this level over recent years as participation numbers have increased. To help offset some of the costs involved in running a coaching program for our junior and youth sailors, the implementation of a coaching fee was agreed by Sailing and General Committee.

Coaching fees will be applicable for *junior* (under 18 years) and *youth* (under 23 years) sailors who attend weekly fleet training sessions effective from 11 October as follows:

- Monday – Lasers (1600 – 1900)
- Wednesday – 29ers (1600 – 1900)
- Thursday – Windsurfing (1600 – 1900)
- Friday – Optimists & O'pen Skiff (Intermediate/Open 1600 – 1900)
- Friday – Mixed (1600 – 1900)
- Sunday – Green & Orange (0900 – 1200)

Any short notice changes to the above days/times will be notified via the Teams App. For instructions on how to download the Team App, please click [here](#). In the event of inclement weather, in most cases the session will go ahead with onshore activities implemented.

Coaching will continue to be inclusive of membership during Sunday Club racing and regattas.

Please refer to the provisional coaching schedule for October 2021 – April 2022. Generally, coaching sessions will break for the school holiday period.
